**to the**  
  
**Commercial Activities Panel**  
  
**San Antonio, Texas Public Hearing**  
**August 15, 2001**

Summary of oral statement:

- 1) Statistical impact of the A-76 study at Maxwell (number of personnel lost since study inception; corporate knowledge impact; turnover during study, etc).
- 2) Financial cost of the A-76 study at Maxwell vs. projected savings from the service provider.
- 3) Suggested changes to improve the process from the commanders of the Affected Units.
- 4) Suggested changes to improve the process from the MEO Team perspective
