Defense Acquisition Regulatory Council
Office of the Undersecretary of Defense
for Research and Engineering

Dear Mr. Brannan:

By letter dated September 15, 1980, you requested our comments on a proposed revision to Defense Acquisition Regulation § 3-809. The proposed revision recognizes the authority of a contracting officer to formalize a token disallowance and charge appropriate interest.

We have no objection to the revision as proposed.

Sincerely yours,

Milton J. Socolar
