Dear Mr. Cassidy:

You requested our comments on proposed revisions to DAR Section VII and 3-608.2(b)(1) which are intended to reduce administrative costs to the Government associated with processing low dollar value over-shipments.

We believe the proposed changes which provide that the Government may retain excess quantities up to \$100.00 in value is reasonable and we have no objection to their adoption.

Sincerely yours,

Milton J. Socolar
