

COMPTROLLER GENERAL OF THE UNITED STATES

October 29, 1973

Mr. Harry D. Shargel  
7625 Front Street  
Cheltenham, Pennsylvania 19012

Dear Mr. Shargel:

In your letter of September 20, 1973, to our General Counsel you request reconsideration of decision B-178398, June 7, 1973, which affirmed the action disallowing your claim for the pay increase authorized by Executive Order 11691 of December 15, 1972, for the "pay period which commenced 1 January 1973, and ended 12 January 1973."

Although you have submitted no additional data pertinent to the question presented, we have reviewed both the Transportation and Claims Division settlement action of March 19, 1973, and decision of June 7, 1973. In cases such as yours where the administrative workweek begins on Sunday and ends on Saturday and the pay period involved began on December 31, 1972, and ended January 13, 1973, it was held that the first day of the first pay period on or after January 1, 1973, was January 14, 1973. In view of the regulation and decision cited in the decision of June 7, which provided the legal basis for that decision and since you have provided nothing which would serve as a basis for disregarding those authorities, we find no basis upon which our prior actions in this matter may be reversed.

Therefore, upon review, we find no basis permitting payment of your claim and affirm the decision of June 7, 1973.

Sincerely yours,

R.F. KELLER

Deputy Comptroller General  
of the United States
