Dear Judge Drennen:

We have made a review for the settlement of accounts of accountable officers of the United States Tax Court, Washington, D.C., through June 30, 1969.

Our review, which was completed in August 1970, consisted of an evaluation of the administrative procedures and internal controls relative to the receipt and disbursement of funds other than payroll, and included such tests of financial transactions and records as we considered appropriate.

We found that the administrative procedures and internal controls were generally effective and that selected financial transactions which we reviewed were processed in a satisfactory manner.

We wish to acknowledge the courtesies and cooperation extended to our representatives during the review.

Sincerely yours,

George L. Egan, Jr.
