**The President of the Senate and the  
Speaker of the House of Representatives**

On January 29, 1990, the President submitted to the Congress his second special impoundment message for fiscal year 1990. This message reports two new deferrals and revises the amounts of four deferrals previously reported. We have reviewed these deferrals and found them to be in accordance with the Impoundment Control Act, 2 U.S.C. § 681, as amended.

Enclosure I provides specific information on three of the deferrals, which we believe will be useful to the Congress in its examination of the message. Enclosure II provides a list of the deferrals as reported by the President.
