

**Comptroller General
of the United States**

Washington, D.C. 20548

B-250728.6

April 20, 1993

To the President of the Senate and the
Speaker of the House of Representatives

On March 16, 1993, the President submitted to the Congress the fourth special impoundment message for fiscal year 1993. This message revises the amount of one deferral of budget authority previously reported. We have reviewed this deferral and found it to be in accordance with the Impoundment Control Act, 2 U.S.C. § 681, et. seq., as amended.

We note that this message corrects the discrepancy in the amount of deferred budget authority our Office discussed in our report to the Congress dated February 5, 1993. B-250728.4, GAO/OGC-93-4.

The enclosure shows the deferral as reported by the President.

for 
Comptroller General
of the United States
