Decision

Matter of: Office Automated Technology, Inc.

File: B-270729

Date: December 28, 1995

DECISION

Office Automated Technology, Inc. protests contract action by the Department of Agriculture under solicitation No. KCMO-04-R-95.

We dismiss the protest as untimely because it was filed more than 14 calendar days after the protester knew, or should have known, of the basis for its protest.

Our Bid Protest Regulations contain strict rules requiring timely submission of protests. Under these rules, protests not based upon alleged improprieties in a solicitation must be filed no later than 14 calendar days after the protester knew, or should have known, of the basis for protest, whichever is earlier. Section 21.2(a)(2), 60 Fed. Reg. 40,737, 40,740 (Aug. 10, 1995) (to be codified at 4 C.F.R. § 21.2(a)(2)). In this regard, a protester's receipt of oral information forming the basis of its protest is sufficient to start the 14-day time period running; written notification is not required. Swafford Indus., B-238055, Mar. 12, 1990, 90-1 CPD ¶ 268.

Our timeless rules reflect the dual requirements of giving parties a fair opportunity to present their cases and resolving protests expeditiously without unduly disrupting or delaying the procurement process. Air Inc.-Request for Recon., B-238220.2, Jan. 29, 1990, 90-1 CPD ¶ 129. In order to prevent those rules from becoming meaningless, exceptions are strictly construed and rarely used. Id.

The protest is dismissed.
