**DECISION**

**THE COMPTROLLER GENERAL  
OF THE UNITED STATES  
WASHINGTON, D. C. 20548**

FILE: B-189391

DATE: November 8, 1977

MATTER OF: Acco Solar Control

**DIGEST:**

We will take no further action to consider protest rendered moot by cancellation of solicitation.

Acco Solar Control (Acco) protested the proposed award of a contract to another bidder under invitation for bids (IFB) DAHA04-77-B-0027 issued by the National Guard Bureau, United States Property and Fiscal Officer for California.

The IFB in question was issued for the installation of reflective film on the window of three buildings at the Van Nuys Air National Guard Base, California. Acco was the second low bidder and, in its protest, contended that the product offered by the low bidder did not conform to the specifications. Acco's protest previously was denied by the contracting activity.

We now have been advised that the solicitation has been canceled. Since the protest is therefore moot, we will take no further action thereon.
