MATTER OF: 1 Otis Elevator Company C990

DIGEST: [Request for reconsideration] of prior decision is dismissed as untimely under 4 C.F.R. § 20.9(b) (1979) where filed more than 10 working days after basis of request was known or should have been known.

2
/ Otis Elevator Company has requested reconsideration of our decision in the matter of Otis Elevator Company, B-195831, November 8, 1979, 79-2 CPD _____, in which we denied Otis' protest of the determination by the Naval Facilities Engineering Command to set aside for small business IFB No. N62470-79-B-2654. 2360

Otis, in its request for reconsideration disagreeing with our decision, notes that it received our November 8, 1979, decision on November 13, 1979. The request for reconsideration was not filed with our Office until November 29, 1979, and is therefore untimely under our Bid Protest Procedures (4 C.F.R. part 20 (1979)). Section 20.9(b) of the Procedures requires requests for reconsideration be filed not later than 10 working days after the basis for reconsideration is known or should have been known.

The request is dismissed.
