would warrant reversal or modification of prior decision.

## DECISION

Edith C. Lawrence requests reconsideration of our decision,  
Edith C. Lawrence, B-239148, July 30, 1990, 90-2 CPD ¶     ,  
wherein Ms. Lawrence's protests that the National Commission  
on Libraries and Information Science improperly terminated  
her contract was dismissed since the termination involved a  
matter of contract administration not for review by the  
General Accounting Office.

In her request for reconsideration, Ms. Lawrence repeats  
contentions previously raised and considered in our prior  
decision. Essentially, Ms. Lawrence again requests that our  
Office review the propriety of the termination of her  
contract, which we specifically held concerns a matter of  
contract administration which we will not review because it  
is for review by a cognizant board of contract appeals or a  
court of competent jurisdiction. See Bid Protest Regula-  
tions, 4 C.F.R. § 21.3(m)(1) (1990). Ms. Lawrence's mere  
disagreement with our previous decision and reassertion of  
her prior position does not constitute evidence of factual

or legal errors in our decision, and thus does not warrant  
reconsidering the matter. Roth Bros., Inc.,--Recon.,  
B-235539.2, Sept. 15, 1989, 89-2 CPD ¶ 233.

The request for reconsideration is denied.
