## Decision

**Matter of:** Techno-Services Corporation  
**File:** B-26.106  
**Date:** May 4, 1995

---

### DECISION

Techno-Services Corporation protests its exclusion from the competitive range under solicitation No. DAAD07-94-R-0137, issued by the Department of the Army.

We dismiss the protest.

Techno-Services's proposal was rejected by letter of March 14, 1995. Techno-Services protested that rejected on March 24 but did not request a debriefing. The instant protest was filed on April 14, stating that it was improperly excluded without providing any further support for its allegations..

We view the matter as premature because Techno-Services has not yet received a debriefing explaining the reasons for its proposal's exclusion from the competitive range. If, in the future, the agency provides Techno-Services with a debriefing or additional information that may properly form the basis for a valid bid protest, the protester may file with our Office at that time.
