Decision

Matter of: H & S Manufacturing, Inc.-Reconsideration

File: B-259888.2

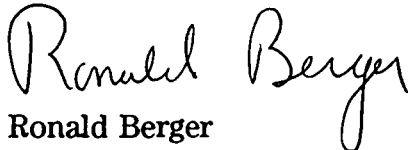

Date: May 19, 1995

DECISION

H & S Manufacturing, Inc. requests reconsideration of our May 1, 1995, dismissal of its protest of the rejection of its proposal as late under solicitation No. SPO450-94-R-4087 issued by the Defense Logistics Agency. We dismissed the protest as untimely.

The protester in essence repeats arguments it made previously and expresses disagreement with our decision. Under our Bid Protest Regulations, to obtain reconsideration the requesting party must show that our prior decision may contain either errors of fact or law or present information not previously considered that warrants reversal or modification of our decision. 4 C.F.R. § 21.12(a). The repetition of arguments made during our consideration of the original protest and mere disagreement with our decision do not meet this standard. R.E. Scherrer, Inc.-Recon., B-231101.3, Sept. 21, 1988, 88-2 CPD ¶ 274.

We therefore deny the request for reconsideration.
