Decision

Matter of: Heard Construction, Inc.

File: B-261506

Date: June 30, 1995

DECISION

Heard Construction, Inc., the second low bidder, protests the proposed award of a contract to Adler Construction, Inc. under invitation for bids (IFB) No. N62467-94-B-2690, issued by the Department of the Navy for a cooling water tower treatment system.

Subsequent to the filing of this protest, the agency has granted the relief requested. Specifically, on June 29, 1995, the agency informed our Office that it had rejected Adler's low bid as nonresponsive, thus placing Heard Construction's bid in line for award. Protests of agency action become academic when contracting agencies grant the relief requested. Steel Circle Bldg. Co., B-233055; B-233056, Feb. 10, 1989, 89-1 CPD ¶ 139. Since it is not our practice to consider academic questions, the protest is dismissed. See East West Research, Inc.--Recon., B-233623.2, Apr. 14, 1989, 89-1 CPD ¶ 379.
