Comptroller General Reports to the Congress and Federal Agencies

These are reports of GAO audits and surveys of U.S. Government activities issued from July 1, 1979 to December 31, 1979.

The reports are listed by functions of Government, not by departments or agencies. Results of audits or surveys concerning one agency frequently have applications to others. An index, by agency, follows the listing of reports.

How to Obtain Reports

Single copies of GAO reports are available free of charge. Requests (except by Members of Congress) for additional quantities should be accompanied by payment of \$1.00 per copy.

Requests for copies should be sent to:

**U.S. General Accounting Office
Document Handling and Information Services Facility
P.O. Box 6015
Gaithersburg, Maryland 20760**

Checks or money orders should be made payable to the U.S. General Accounting Office. Stamps or Superintendent of Documents coupons will not be accepted.

When ordering a GAO report, please cite the accession number if one is given. Order reports which do not show accession numbers by citing the report number and date. Do not use the item number, which is for indexing only.

GAO reports are available on microfiche—a miniature photocopy on film which can be read or reproduced full-sized using special equipment. Please tell us if you wish microfiche copies when you order reports. There is no charge for microfiche copies.

For convenience, order forms are included in this booklet.
