Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Report for the Aviation Hall of Fame for 2000 and 1999

Dear Mr. Chairman:

As requested, we reviewed the audit report covering the financial statements of the Aviation Hall of Fame, a federally chartered corporation, for the years ended December 31, 2000 and 1999. The corporation's purpose is to honor citizens, aviation leaders, pilots, and others for outstanding contributions to the establishment, development, advancement, or improvement of aviation, and to perpetuate the memory of them and record their contributions.

Federally chartered corporations are required under 36 U.S.C. §10101 to

present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,

obtain an annual financial audit by an independent public accountant, and

submit the auditors' report and the corporation's financial statements to the Congress.

The objective of our review was to determine whether the audit report complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, and reviewed the auditors' report. However, we did not review the auditors' working papers, and we are not rendering an audit opinion.

In addition to the general requirements of section 10101, Aviation Hall of Fame is required by 36 U.S.C. §23109 to include in its audit report under section 10101 a schedule of all contracts requiring payments greater than \$10,000 and all payments of compensation or fees at a rate greater than \$10,000 a year. Corporation officials told us they were not aware of this requirement and will prepare the applicable schedule and include it in its next report.

The audit report included the auditors' opinion that the financial statements of the corporation were presented fairly in accordance with U. S. generally accepted accounting principles. We are returning the audit report you sent with your letter.

Sincerely yours,
