

Appendix D: Accountability of Tax Dollars Act Agencies Required to Submit Audited Financial Statements to OMB

The Accountability of Tax Dollars Act required executive agencies, not already required through separate legislation, to prepare and submit audited financial statements. The majority of these agencies are relatively small as compared to the CFO Act departments and agencies in both budgetary and human resources. This has contributed to several of the agencies having not yet submitted their audited financial statements. OMB continues to work with these agencies to meet this requirement.
