House of Representatives

Subject: Federally Chartered Corporation: Financial Statement Audit Report for the General Federation of Women's Clubs for Fiscal Years 2005 and 2004

Dear Mr. Sensenbrenner:

As requested, we read the audit report covering the financial statements of the General Federation of Women’s Clubs, a federally chartered corporation, for the fiscal years ended June 30, 2005 and 2004. The corporation’s purpose is to improve communities through volunteer service in art, education, conservation, homelife, international affairs, and public affairs.

Federally chartered corporations are required under 36 U.S.C. § 10101 to

• present the corporation’s assets and liabilities and reasonable detail on the corporation’s income and expenses in annual financial statements and

• obtain an annual financial audit by an independent public accountant.

Our objective was to advise you of any matters in the report regarding compliance with the financial reporting requirements of the law. In carrying out our work, we read the corporation’s financial statements and the accompanying notes, performed certain analytical procedures related to information presented in the financial statements, and read the auditor’s report. We did not identify any instance of noncompliance with the above financial reporting requirements of the law.

We did not perform an audit or review the auditor’s audit documentation, and we are not rendering an audit opinion. However, we did hold limited discussions with the corporation’s auditor regarding potential enhancements to the corporation’s financial reporting.

The audit report included the auditor’s opinion that the financial statements of the corporation were presented fairly in accordance with U.S. generally accepted accounting principles. We are returning the audit report you sent with your letter.
