COMPTROLLER GENERAL OF THE UNITED STATES

WASHINGTON, D.C. 20548

B-114871

The Honorable George M. White
Architect of the Capitol

UWH 00013

Dear Mr. White:

RSN 00008

We audited the United States Senate Restaurants Revolving Fund for the period October 1, 1978, to September 29, 1979, pursuant to section 5 of the July 6, 1961, act (40 U.S.C. 174j-5).

Because of the change in the close of the Government's fiscal year from June 30 to September 30, the 1976 fiscal year's data (June 29, 1975, to October 2, 1976), used for comparative purposes in this report, covered a 15-month period. All other data used in this report covers a 12-month period.

GENERAL COMMENTS

The Senate Restaurants are operated primarily for Senators and employees of the United States Senate. The Architect of the Capitol, under the direction of the Senate Committee on Rules and Administration, is responsible for managing the restaurants.

Receipts from sales and transfers from the appropriations for the contingent expenses of the Senate are used to finance the activities of the Senate Restaurants Revolving Fund. These funds are deposited in the U.S. Treasury and credited to the Senate Restaurants Revolving Fund. For the period ended September 29, 1979, sales receipts and commissions amounted to \$3,642,213. There was no transfer from the appropriation for contingent expenses of the Senate during the year.

Funds appropriated to the Architect of the Capitol for construction or maintenance may be used to purchase restaurant equipment. The equipment is not recorded as assets of the Senate Restaurants Revolving Fund.

The Legislative Branch Appropriation Act, 1972 (Public Law 92-51, approved July 9, 1971) provided that management personnel salaries and miscellaneous expenses, such as paper, cleaning, and laundry, may be paid from the Senate Office Buildings appropriation. Management personnel salaries and miscellaneous expenses of the restaurants paid from or obligated against this appropriation during fiscal year 1979 totaled \$760,930. Consistent with prior years, this amount was not considered in determining the net operating result for the restaurants. (See sch. 2.)

RESULTS OF OPERATIONS

Senate Restaurants operations for the period ended September 29, 1979, resulted in a net operating loss of \$79,424, compared with a net operating profit for the prior period ended September 30, 1978, of \$17,454. Overall, the Senate Restaurants decreased their operating profit from about \$1,455 a month in the prior period to a loss of \$6,619 a month in the period ending September 29, 1979, which constitutes a decline of about \$8,074 a month. The change from a profit in fiscal year 1978 to a loss in fiscal year 1979 can be attributed primarily to (1) a decrease of about \$71,500 in net income from fastfood and cigarstand operations and (2) an increase of about \$25,500 in losses on cafeteria food operations.

A condensed comparison of sales, commissions, and operating results for each of the restaurants' activities for 1979 and 1978 follows on page 3.

A comparative statement of assets and liabilities of the Senate Restaurants Revolving Fund on September 29, 1979, and September 30, 1978; a comparative statement of operations for fiscal years 1976 through 1979; and a comparative statement of changes in financial position for fiscal years ended September 29, 1979, and September 30, 1978, are presented as schedules 1, 2, and 3. A statement of operations, prepared by the Senate Restaurants' accounting staff, for each of the restaurants' activities for fiscal year 1979 is included as exhibit A.

VENDING MACHINE OPERATIONS

Prior to December 1978 the Senate Restaurants had both contract and in-house vending machine operations. During last year's audit, the restaurants' management advised us that a review had been completed of both the in-house and contract vending machine operations. As a result, in October 1978, the Architect of the Capitol contracted with one vendor to handle the Senate restaurants' Capitol and Senate office buildings vending machine operations. On December 14, 1978, all prior contracts, letters of agreement and oral agreements were canceled, with the exception of one letter and one oral agreement relating to services at one location.

Our review of the vending machine operations for fiscal year 1979 showed that the restaurants received commissions of \$27,116 from contract vending machine operations and made a profit on the in-house operation of about \$80.

A comparison of sales, commissions, and operating results for the vending food and tobacco operations for 1979 follows.

SCOPE OF AUDIT

We made our audit in accordance with the Comptroller General's standards for financial and compliance audits. We reviewed operations, observed the physical count of stock on hand, examined selected financial transactions and records, confirmed customers' account balances, and carried out other auditing procedures and such tests as we considered necessary in the circumstances.

OPINION ON FINANCIAL STATEMENTS

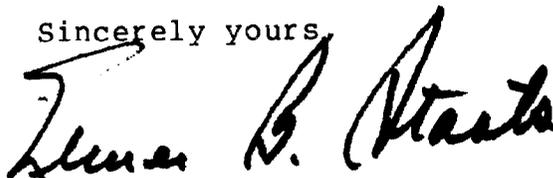

^{1/100} We prepared the accompanying financial statements (schs. 1, 2, and 3) on the basis of the accounting records maintained on an accrual basis by the Senate Restaurants' accounting staff. The statements do not include the cost of equipment and furnishings acquired with funds appropriated to the Architect of the Capitol or the cost of certain benefits and services, such as space, building repairs and maintenance, utilities, trash disposal, menus and forms printed by the Government Printing Office, and services of the staff of the Architect of the Capitol, all of which are furnished to the Restaurants without charge.

In our opinion, schedules 1, 2, and 3, which were prepared on a basis consistent with that of the preceding period and in accordance with the accounting practices and financial arrangements described above, ^{the statements} present fairly the financial

position of the U.S. Senate Restaurants Revolving Fund at September 29, 1979, and September 30, 1978, the results of its operations, and the changes in its financial position for the fiscal periods then ended.

Sincerely yours,
