The Honorable Peter W. Rodino, Jr.  
Chairman, Committee on the Judiciary  
House of Representatives

Dear Mr. Chairman:

As requested in your letter of January 21, 1981, we have reviewed the audit report of the National Safety Council for the year ended June 30, 1980. Our review was directed to determining whether the report complies with the financial reporting requirements for federally chartered corporations set forth in Public Law 88-504, approved August 30, 1964 (36 U.S.C. 1101). The National Safety Council was chartered by the act of August 13, 1953 (36 U.S.C. 461).

The audit report was prepared by a firm of certified public accountants. It included a statement of the scope of audit and the auditor's opinion that the financial statements present fairly the financial position of the National Safety Council at June 30, 1980, and the results of operations and changes in financial position, for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis. In our opinion, the audit and financial reporting requirements of the act have been met.

We are returning the audit report sent with your letter of January 21, 1981.

Sincerely yours,

Acting Comptroller General  
of the United States
