GAO

United States General Accounting Office

UNITED STATES GENERAL ACCOUNTING OFFICE
WASHINGTON, D.C. 20548

ACCOUNTING AND FINANCIAL
MANAGEMENT DIVISION

December 18, 1985

This is our fifth publication of Federal audit organizations. It is intended to aid in the development of intergovernmental cooperation by facilitating the interchange of information among audit and investigative groups.

In compiling this Directory, we have included audit groups directly involved in the audit of Federal funds, information on investigative groups in the Offices of Inspector General, as well as some external audit organizations. For the 56 organizations included in this Directory, there are 21,445 professionals engaged in audit, investigation, inspection and related areas.

As a service to the audit and investigative community, we intend to update and publish the directory periodically. Therefore, users of this directory are invited to comment on its usefulness and any corrections which should be made. Also, if any groups were inadvertently omitted and would like to be included in the next edition, please let us know. Comments should be sent to John J. Adair, Associate Director, Accounting and Financial Management Division, United States General Accounting Office, 441 G Street, N.W., Room 6126, Washington, D.C. 20548.

Sincerely,

A handwritten signature in black ink, appearing to read "Frederick D. Wolf".

Frederick D. Wolf
Director
