

# Center for Audit Excellence (CAE) Open-Enrollment Registration and Payment How To

**\*As of 7/21/2025**

## **Update to CAE Registration & Payment Process**

CAE is now transitioning our Open-Enrollment Registration and Payment vendors. In order to prevent disruption to our registration and payment process, during this transition period, CAE will use an interim solution that will require our customers to register by providing the CAE-Training Administrator a copy of the purchase receipt. As the customer, the purchase will be made through pay.gov and registration will ONLY be confirmed once CAE receives the receipt and validates through our finance office. Once payment is reconciled, the purchaser will receive a confirmation email verifying the seat(s) secured.

## **Instructions:**

To pay via pay.gov, go to the website [www.pay.gov](http://www.pay.gov) and enter "GAO" in the search bar. This will take you to a screen that shows a box for CAE. Click "continue" to complete the payment form. The "agreement/bill#" is **CAE-900643-25-001** (do not enter the "CAE"). Payment through Pay.Gov can be made with a debit/credit card, PayPal, Venmo, or by Automated Clearing House (ACH). *\*Please include POC email in the "Additional Information" field within Pay.Gov*

## **Course Fee:** \$470/person/course

*\*Please note that if you are registering multiple individuals, you can submit as one payment versus multiple individual payments. E.g. If registering 4 individuals for any of the available sessions, do one Pay.Gov transaction for \$1,880 instead of 4 transactions of \$470 each.*
