### DECISION

Innovative Technologies Corporation protests the award of contracts to Modern Technology Corporation, Management Consulting of Research, Inc., and Semcor, Inc., under request for proposals No. F3357-94-R-0024, issued by the Department of the Air Force.

The protests, as filed with our Office, do not establish a basis for challenging the agency's action and, accordingly, must be dismissed.

The jurisdiction of our Office is established by the bid protest provisions of the Competition in Contracting Act of 1984, 31 U.S.C. §§ 3551-3556 (1988). Our role in resolving bid protests is to ensure that the statutory requirements for full and open competition are met. Brown Assocs. Mgmt. Servs., Inc.—Request for Recon., B-235906.3, Mar. 16, 1990, 90-1 CPD ¶ 299.

To achieve this end, our Bid Protest Regulations require that a protest include a detailed statement of the legal and factual grounds of a protest, 4 C.F.R. § 21.1(c)(4), and that the grounds stated be legally sufficient. 4 C.F.R. § 21.1(e). These requirements contemplate that protesters will provide, at a minimum, either allegations or evidence sufficient, if uncontradicted, to establish the likelihood that the protester will prevail in its claim of improper agency action. Robert Wall Edge—Request for Recon., 68 Comp. Gen. 352 (1989), 89-1 CPD ¶ 335.

These protests do not include sufficient factual information to establish the likelihood that the agency here violated applicable procurement laws or regulations. Therefore, they must be dismissed without further action.
