MATTER OF: Parkdale Building Maintenance

[Protest Regarding Solicitation Cancellation]

DIGEST:

Protest regarding solicitation which has been cancelled by procuring agency is moot, requiring no further action by GAO.

Parkdale Building Maintenance protested any award of a contract under invitation for bids (IFB) SE-BM-9-15 issued by the General Services Administration (GSA) because of alleged ambiguities and internal conflicts in the specifications.

The IFB was issued to provide for janitorial services at the Federal Building, U.S. Post Office, Wenatchee, Washington. Parkdale had previously complained to GSA about other similar service contracts, but had received no response.

We now have been advised that the IFB has been cancelled. Since the protest is therefore moot, we will take no further action.
