WASHINGTON, D. C. 20548

FILE: B-218101

DATE: February 6, 1985

MATTER OF: The George Sollitt Construction Company

DIGEST:

Complaint regarding rejection of bid by grantee is dismissed since GAO no longer reviews complaints concerning contracts under federal grants.

The George Sollitt Construction Company complains of the determination by the Village of Addison, Illinois that its bid is nonresponsive under an invitation for bids issued by an Environmental Protection Agency grantee for expansion of a waste water treatment plant, Project No. 0174.

On January 29, 1985, we published a notice in the Federal Register, 50 Fed. Reg. 3978 (1985), stating that our review of grantee compliance with federal bidding requirements is no longer necessary. The notice stated that, effective January 29, we would no longer review complaints concerning the award of contracts under grants. The complaint by Sollitt was filed in our Office on January 31. Consequently, we dismiss the complaint.
