Decision

Matter of: Electro Tech Industries

File: B-257103

Date: May 24, 1994

DECISION

Electro Tech Industries protests the cancellation of its purchase order issued by Gomez Electrical Contractors, Inc. under a contract Gomez was awarded by the Department of the Navy under invitation for bids No. N62472-93-B-6057.

This matter involves Electro Tech's contractual relationship with Gomez Electrical. It does not involve the propriety of an award of a contract by a federal agency. It is therefore not within the scope of bid protest jurisdiction under the Competition in Contracting Act of 1984, 31 U.S.C. § 3551 et seq. (1988).

The protest is dismissed.

A handwritten signature in dark ink, appearing to read "Ronald Berger", is written over the typed name.
