Decision

Matter of: CardioMetrix Medical Management Services
File: B-260731
Date: April 19, 1995

DECISION

CardioMetrix Medical Management Services protests that solicitation number 569-7-95, issued by the Department of Veterans Affairs for radiology services at its medical center in Fort Wayne, Indiana, is deficient because it does not contain a separate line item for fees for emergency radiology services and because there is no estimate of the number of hours of such services that will be required.

Subsequent to the filing of the protest, the agency notified our Office that it will take corrective action to remedy both deficiencies raised by the protester. Protests of agency action become academic when contracting agencies grant the relief requested. Steel Circle Bldg. Co., B-233055; B-233056, Feb. 10, 1989, 89-1 CPD ¶ 139. Since it is not our practice to consider academic questions, the protest is dismissed. See East West Research, Inc.--Recon., B-233623.2, Apr. 14, 1989, 89-1 CPD ¶ 379.
