Decision

Matter of: H. Watt & Scott General Contractors, Inc.--
Reconsideration

File: B-257776.4

Date: May 24, 1995

DECISION

H. Watt & Scott General Contractors, Inc. requests reconsideration of our decision in H. Watt & Scott General Contractors, Inc.--Request for Declaration of Entitlement to Costs, B-257776.3, Apr. 6, 1995, 95-1 CPD ¶ ____, in which we denied H. Watt's request for reimbursement of the costs of filing and pursuing its protest against the award of a contract to Woodard Construction under invitation for bids (IFB) No. N651-IFB4-2034.

We deny the request for reconsideration because the request provides no basis for reconsidering our prior decision.

The protester in essence repeats arguments it made previously and expresses disagreement with our decision. Under our Bid Protest Regulations, to obtain reconsideration, the requesting party must show that our prior decision may contain either errors of fact or law or present information not previously considered that warrants reversal or modification of our decision. 4 C.F.R. § 21.12(a) (1995). The repetition of arguments made during our consideration of the original protest and mere disagreement with our decision do not meet this standard. R.E. Scherrer, Inc.--Recon., B-231101.3, Sept. 21, 1988, 88-2 CPD ¶ 274.
