Decision

Matter of: H. Angelo & Company, Inc.

File: B-260680.3

Date: June 30, 1995

DECISION

H. Angelo & Company, Inc. protests the issuance of solicitation No. F41685-95-R-0052 as a request for proposals (RFP) instead of as an invitation for bids (IFB). The solicitation was issued to replace a contract awarded to the protester which was terminated as the result of another protest.

Subsequent to the filing of this protest by H. Angelo & Company, the agency has granted the relief requested by proposing to reissue the solicitation as an IFB. Protests of agency action become academic when contracting agencies grant the relief requested. Steel Circle Bldg. Co., B-233055; B-233056, Feb. 10, 1989, 89-1 CPD ¶ 139. Since it is not our practice to consider academic questions, the protest is dismissed. See East West Research, Inc.--Recon., B-233623.2, Apr. 14, 1989, 89-1 CPD ¶ 379.

The protest of H. Angelo & Company objecting to the termination of its contract is still being considered by our Office under file no. B-260680.2.
