Decision

Matter of: Emara Contracting Co., Inc.

File: B-262116

Date: July 27, 1995

DECISION

Emara Contracting Co., Inc. protests the Department of the Navy's consideration of the bid submitted by Omega Service Maintenance Corp., the apparent low bidder, under invitation for bids No. N62472-95-B-4359. Emara argues that Omega's bid is nonresponsive for failure to provide a complete bid including proper certifications. However, it appears that the agency has not yet made a decision on whether to accept Omega's bid.

That being so, we view the matter as premature and not for our consideration at this time. Should the Navy ultimately decide to accept Omega's bid, Emara may file a protest with our Office at that time.

The protest is dismissed.
