**File:** B-265800

**Date:** August 24, 1995

### DECISION

The Hines-Ike Company protests the issuance of amendment No. 5 by the Department of Housing & Urban Development under solicitation No. H08R95005500000.

The protest, as filed with our Office, does not establish a basis for challenging the agency's action and, accordingly, must be dismissed.

Hines-Ike does not explain why it is protesting the amendment or provide any further information or supporting documentation. Our Bid Protest Regulations require that a protest include a detailed statement of the legal and factual grounds of a protest, 4 C.F.R. § 21.1(c)(4), and that the grounds stated be legally sufficient. 4 C.F.R. § 21.1(e). These requirements contemplate that protesters will provide, at a minimum, either allegations of evidence sufficient, if uncontradicted, to establish the likelihood that the protester will prevail in its claim of improper agency action. Robert Wall Edge-Request for Recon., 68 Comp. Gen. 352 (1989), 89-1 CPD ¶ 335.

This protest does not include sufficient factual information to establish the likelihood that the agency here violated applicable procurement laws or regulations. Accordingly, the protest is dismissed.
