

Comptroller General
of the United States

Washington, D.C. 20548

Decision

Matter of: Rex Systems, Inc.

File: B-262192

Date: September 6, 1995

DECISION

Rex Systems, Inc. protests award of a contract for supplying 433 detector video amplifiers to Associated Aircraft by the Department of the Navy pursuant to request for proposals (RFP) No. N00383-95-R-0054. Basically, Rex Systems protested that the RFP's specifications were deficient and requested that we recommend that the Navy terminate its contract with Associated Aircraft for convenience and resolicit the requirement using specifications that more accurately describe the agency's needs.

Subsequent to the filing of this protest, the agency has granted the relief requested. Protests of agency action become academic when contracting agencies grant the relief requested. Steel Circle Bldg. Co., B-233055; B-233056, Feb. 10, 1989, 89-1 CPD ¶ 139. Since it is not our practice to consider academic questions, the protest is dismissed. See East West Research, Inc.--Recon., B-233623.2, Apr. 14, 1989, 89-1 CPD ¶ 379.
