Dear Mr. President:

This letter reports a violation of the Antideficiency Act (ADA), Navy case number 11-05 (enclosed), as required by title 31, U.S.C., section 1517(b). The violation occurred within the Navy Working Capital Fund (NWCF) account 97 X 4930 during Fiscal Year (FY) 2007 at the Naval Facilities Engineering Command, Mid-Atlantic (NAVFAC MIDLANT). The violation totaled \$100,318.16.

The violation occurred because project planning and design costs associated with two NAVFAC MIDLANT NWCF Capital Investment Program (CIP) minor construction projects completed in FY 2007 were not financed in the minor construction portion of the NWCF Capital Budget. When the amount of the misclassified planning and design costs were allocated to the respective minor construction projects, total Capital Budget expenditures exceeded the total Capital Budget authority. In order to correct this overobligation, additional unobligated capital budget authority had to be transferred to NAVFAC MIDLANT from other NAVFAC commands. As the capital budget authority issued to NAVFAC MIDLANT was subject to the statutory limitations of title 31, U.S.C., section 1517, the obligation in excess of the formal subdivision of funds resulted in one violation of this statute in the amount of \$100,318.16.

Ms. Eunice Hutchings, Comptroller, GS-15, and Ms. Pamela D. Gay, Accountant, GS-13, were responsible for the violation. Ms. Hutchings has retired and is no longer employed in the Federal Service. Ms. Gay was orally admonished and instructed to attend additional training. There was no willful or knowing intent on the part of the responsible parties to violate the ADA.

To prevent a recurrence of this type of violation, NAVFAC MIDLANT replaced the 2004 Capital Purchase Program guidance with the 2010 CIP Standard Operating Procedure which provides proper instruction for the capitalization of planning and design costs. NAVFAC MIDLANT also created monthly tracking reports that pull CIP costs into a format that is easily reviewed by analysts.

Identical reports will be submitted to the President of the Senate, Speaker of the House of Representatives, Comptroller General of the United States, and Director of the Office of Management and Budget.

Respectfully yours,

Robert F. Hale
