### **Comptroller General Reports to the Congress**

GAO audit reports and surveys of U.S. Government activities issued during the period January-December 1974.

They are listed by functions of the Government, not by departments or agencies. Because audit findings concerning one agency frequently have application in others, this arrangement allows consideration of all findings in all agencies in each functional area.

An index by agency follows the listing of reports.

### **How to Obtain Reports**

Copies of these reports are available from the U.S. General Accounting Office, Room 4522, 441 G Street, NW, Washington, D.C. 20548. Phone (202) 386-6594.

Copies are provided without charge to Members of Congress and congressional committee staff members; officials of Federal, State, local, and foreign governments; members of the press; college libraries, faculty members, and students; and non-profit organizations. The price to the general public is \$1.00 a copy, except as noted.

Those entitled to reports without charge should address mail requests to:

**U.S. General Accounting Office  
Distribution Section, Room 4522
