In order to intervene in a bid protest, you must know the B-number assigned to the case by GAO. To find the B-number assigned to a case, please check GAO's docket, where you can search for cases by agency, solicitation number, or protester. GAO's docket is accessible [here](#).

Note: Intervenor means an awardee if the award has been made or, if no award has been made, all bidders or offerors who appear to have a substantial prospect of receiving an award if the protest is denied. To intervene in a case, you will be required to upload a document explaining how you satisfy the above requirements.
