The Honorable Dan Quayle
United States Senator
46 East Ohio Street, Room 447
Indianapolis, Indiana 46204

Dear Senator Quayle:

Your letter to our Office dated October 25, 1988, written jointly with the Honorable Richard G. Lugar on behalf of Control Concepts, Inc., has been received.

The Defense Logistics Agency advised our Office by letter of November 18, 1988 that it has decided to terminate the contract, revise the specifications to clearly state the government's minimum requirements and resolicit. This corrective action renders the protest academic.

Accordingly, we are closing our file on this matter without further action.

Sincerely yours,

A handwritten signature in black ink, appearing to read "R. Strong", written over the typed name.
