The Honorable Sam Nunn
United States Senate

Dear Senator Nunn:

We refer to the interest you have expressed in the protest of H.K. Enterprises, Inc., of Savannah, Georgia, against the Veterans Administration's award of a lease to another firm for the space needed for an outpatient clinic in Savannah.

Although the Veterans Administration provided a report in response to the protester's allegation, H.K. Enterprises has not filed comments on that report or asked us to decide the matter on the record as it now stands, within the time prescribed by our Bid Protest Regulations for H.K. Enterprises to do so. We therefore have closed our file without action.

Sincerely yours,

151

Robert M. Strong
Deputy Associate
General Counsel
