John R. Bolton, Esq.  
Assistant Attorney General  
Civil Division  
Department of Justice  
Washington, D.C. 20530

Subject: Volt Information Sciences, Incorporated v.  
United States, Cl. Ct. No. 294-88C

Dear Mr. Bolton:

We refer to your letter to our Office dated May 24, 1988, requesting a report on the above-entitled case. Our records indicate no claim or other demand against the plaintiff which might furnish the basis for a counterclaim or setoff in this case.

We previously conducted an investigation of the procurement which is the subject of this case, culminating in the testimony given on September 25, 1986, by Milton J. Socolar, Special Assistant to the Comptroller General, before the Subcommittee on Legislation and National Security of the House Committee on Government Operations. It appears to us from the complaint, however, that the Department of Justice already has available to it our records relevant to the claim by Volt.

If there are specific documents which are otherwise unavailable to you, or if you need further information from our Office, you may contact \_\_\_\_\_ of our Office on \_\_\_\_\_

Sincerely yours,

Ronald Berger  
Assistant General Counsel
