Attention: Mr. Eugene Carl Haberman

Gentlemen:

This responds to your letter dated August 26, 1986, in which you requested our Office to investigate the award of a contract by the National Park Service (NPS) under solicitation No. 9700-6-025. In particular, you stated that a NPS representative had refused to tell you the name of the awardee and the amount of the award. You also requested that we determine whether NPS acted properly in awarding the contract.

We have been advised by the Department of the Interior that the contracting officer has provided you with the name of the awardee and the amount of the award. Since this appears to satisfy your concern, we are closing our file on the matter.

A handwritten signature in cursive script, reading "Ronald Berger".
