The Honorable Paul S. Sarbanes
United States Senate

Dear Senator Sarbanes:

This regards your July 18, 1986 letter requesting that we review the allegations raised by Master Security, Inc. (Master) concerning its failure to receive an award under request for proposals No. GS-11-C-50068, issued by the General Services Administration.

Master previously raised these allegations in a protest filed with our Office. We denied the protest in Master Security, Inc., B-221831, May 9, 1986, 86-1 CPD ¶ 447. In Master Security, Inc.--Reconsideration, B-221831.2, June 25, 1986, 86-1 CPD 590, we denied Master's request for reconsideration of our original decision. Enclosed are copies of those decisions.

Sincerely yours,

Ronald Berger
