June 10, 1986

The Honorable Alan J. Dixon
United States Senate

Dear Senator Dixon:

We refer to your interest in the protest of Meyer Tool & Manufacturing, Incorporated over the award of a contract to another vendor under solicitation No. DNA02-86-B-0007 issued by the Defense Nuclear Agency. Meyer offered a delivery term that was nonresponsive to the solicitation and its bid was therefore rejected.

Enclosed is a copy of our decision dismissing the protest. As our decision notes, even though Meyer asserted an error in its bid, a bid that is nonresponsive to a material term of the solicitation cannot be corrected.

We are enclosing two copies of the decision plus your correspondence as requested.

Sincerely yours,

A handwritten signature in cursive script, reading "Alan S. Zuckerman".
