Financial Audit: Federal Housing Finance Agency's FY 2025 Financial Statements

This report transmits the GAO auditor's report on the results of our audits of the fiscal year 2025 financial statements of the Federal Housing Finance Agency (FHFA), which is incorporated in the enclosed *Federal Housing Finance Agency Performance and Accountability Report for Fiscal Year 2025*.

As discussed more fully in the auditor's report that begins on page 34 of the enclosed agency performance and accountability report, we found

- FHFA's financial statements as of and for the fiscal year ended September 30, 2025, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles;
- although internal controls could be improved, FHFA maintained, in all material respects, effective internal control over financial reporting as of September 30, 2025; and
- no reportable noncompliance for fiscal year 2025 with provisions of applicable laws, regulations, contracts, and grant agreements we tested.

During our audit, we identified a deficiency in FHFA's controls over its review of its financial statements that represents a significant deficiency in FHFA's internal control over financial reporting and merits the attention of those charged with governance of FHFA. In addition, we found that FHFA resolved the significant deficiency in controls over accounts payable accruals that we reported in our 2024 audit.¹

The Housing and Economic Recovery Act of 2008 established FHFA as an independent agency empowered with supervisory and regulatory oversight of the housing-related government-sponsored enterprises: the Federal National Mortgage Association (Fannie Mae), the Federal
