Subject: Social Security Administration: Medicare Part D Subsidies

Pursuant to section 801(a)(2)(A) of title 5, United States Code, this is our report on a major rule promulgated by the Social Security Administration (SSA), entitled “Medicare Part D Subsidies” (RIN: 0960-AG03). We received the rule on December 28, 2005. It was published in the Federal Register as a final rule on December 30, 2005. 70 Fed. Reg. 77664.

The final rule announces how SSA will determine eligibility for premium and cost-sharing subsidies under the Medicare Part D program. The rule also includes, among other items, steps about how to apply for a subsidy and how to appeal a determination.

The final rule has an announced effective date of December 30, 2005. The Congressional Review Act requires a 60-day delay in the effective date of a major rule from the date of publication in the Federal Register or receipt of the rule by Congress, whichever is later. 5 U.S.C. 801(a)(3)(A). The rule was received by
Congress on December 28, 2005, and was published in the Federal Register on December 30, 2005. Therefore, the final rule does not have the required 60-day delay in its effective date.

Enclosed is our assessment of the SSA’s compliance with the procedural steps required by section 801(a)(1)(B)(i) through (iv) of title 5 with respect to the rule. Our review indicates that SSA complied with the applicable requirements.

If you have any questions about this report, please contact James W. Vickers, Assistant General Counsel, at (202) 512-8210.
