Subject: Federally Chartered Corporation: Review of the Financial Statement Audit Report for the Army and Navy Union of the United States of America, Incorporated for Fiscal Years 1997 and 1998

Dear Mr. Chairman:

As requested, we reviewed the audit report covering the financial statements of the Army and Navy Union of the United States of America, Incorporated, a federally chartered corporation, for the fiscal years ended June 30, 1997 and 1998. The purpose of the corporation is to unite those who have served and those who are now serving in the Armed Forces of the United States of America; protect and advance their civic, social, and economic welfare; aid them in sickness and distress; assist in their burial and commemoration; and provide help for widows and orphans.

Federally chartered corporations are required under 36 U.S.C. 10101 to

- present the corporation's assets and liabilities and reasonable detail on the corporation's income and expenses in annual financial statements,
- obtain an annual financial audit by an independent public accountant, and
- submit the auditor's report and the corporation's financial statements to the Congress.

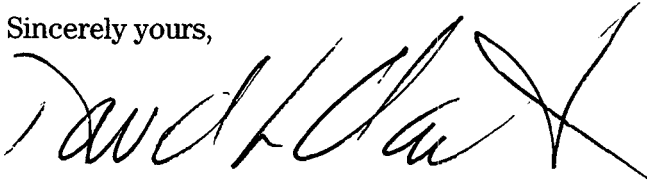

The objective of our review was to determine whether the audit report complied with the financial reporting requirements of the law. In carrying out our work, we reviewed the corporation's financial statements and the accompanying notes, performed certain analytical

procedures related to information presented in the financial statements, reviewed the auditor's report, and made inquiries to corporation officials or the auditor as we deemed necessary. We did not review the auditor's working papers. Our review disclosed no reportable instances of noncompliance.

The audit report included the auditor's opinion that the financial statements of the corporation were fairly presented on a cash basis of accounting. We are returning the audit report you sent with your letter.

Sincerely yours,
