Subject: *Department of Education: Elementary and Secondary Education Act of 1965, as Amended by the Every Student Succeeds Act—Accountability and State Plans*

Pursuant to section 801(a)(2)(A) of title 5, United States Code, this is our report on a major rule promulgated by the Department of Education (Department) entitled “Elementary and Secondary Education Act of 1965, as Amended by the Every Student Succeeds Act—Accountability and State Plans” (RIN: 1810-AB27). We received the rule on July 19, 2017. It was published in the *Federal Register* as “Final regulations; CRA revocation” on July 7, 2017. 82 Fed. Reg. 31,690.

Under the Congressional Review Act (CRA), Congress has passed, and the President has signed, a resolution of disapproval of the accountability and state plans final regulations that were published on November 29, 2016. Because the resolution of disapproval invalidates these regulations, the Department by this action is removing these regulations from the Code of Federal Regulations. This action is effective July 7, 2017.

If you have any questions about this report or wish to contact GAO officials responsible for the evaluation work relating to the subject matter of the rule, please contact Shirley A. Jones, Assistant General Counsel, at (202) 512-8156.
